Limited Review Report on Quarterly Consolidated Financial Results of Qess Corp Limited Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To The Board of Directors of Qess Corp Limited

We have reviewed the accompanying statement of unaudited consolidated financial results ("the Statement") of Qess Corp Limited (hereinafter referred to as "the Holding Company"), its subsidiaries (collectively referred to as "the Group"), its associates and joint venture as listed in Note 1 to the Statement for the quarter ended 30 June 2017 attached herewith, being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

This Statement is the responsibility of the Holding Company's Management and has been approved by the Board of Directors in their meeting held on 21 July 2017. Our responsibility is to issue a report on this Statement based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditors of the Entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance about whether the Statement is free of material misstatements. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

- a. We did not review the financial results of eight subsidiaries incorporated outside India whose financial results reflect total revenues (including other income) of INR 24,437 lakhs for the quarter ended on 30 June 2017, as considered in this Statement. The financial results of these subsidiaries have been prepared in accordance with the accounting principles generally accepted in their respective countries ('the local GAAP') and the Company's Management has converted the financial results of such subsidiaries located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. This has been done on the basis of a reporting package prepared by the Holding Company which covers accounting requirements applicable to the Statement under the generally accepted accounting principles in India. The reporting packages made for this purpose have been reviewed by the other auditors and reports for consolidation purposes of those other auditors have been furnished to us. Our opinion on the Statement, in so far as it relates to the financial results of such subsidiaries located outside India is based solely on the aforesaid review reports of the other auditors.
- b. We did not review the financial results of thirteen subsidiaries, whose financial results reflect total revenues (including other income) of INR 4,211 lakhs for the quarter ended on 30 June 2017, as considered in this Statement. The Statement also include the Group's share of total comprehensive income (including other comprehensive income) of INR 57.63 lakhs for the quarter ended on 30 June 2017, as considered in this Statement, in respect of three associates and a joint venture whose financial results have not been reviewed by us. These financial results are unaudited and have been furnished to

B S R & Associates LLP

us by the Management and our opinion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, associates and joint venture, is based solely on such unaudited financial results. In our opinion and according to the information and explanations given to us by the Management, these financial results are not material to the Group.

Our opinion on the Statement is not modified in respect of the above matters with respect to the reports of the other auditors and the financial results certified by the Management.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with applicable accounting standards i.e. Ind AS prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

The Company in the previous year had received the approval from BSE and NSE dated 23 March 2017 and 27 March 2017 respectively and has filed the Scheme with National Company Law Tribunal ('NCLT') dated 26 April 2017 and awaiting the approval. In pursuance of the Scheme, the Company has invested Rs 22,000 lakhs by subscribing to Compulsory Convertible Preference Shares of MIS as part of the purchase consideration. The Scheme requires the Company to account for the acquisition, on and from 1 December 2016, i.e. appointed date. In accordance with Indian Accounting Standard 103, Business Combinations, (Ind AS 103), the accounting for the acquisition has to be done on and from the "Acquisition date". As per paragraph 9 of Ind AS 103, the acquisition date is the date on which the acquirer obtains control of the acquiree and is generally the date on which the acquirer legally transfers the consideration, acquires the assets and assumes the liabilities of the acquiree the closing date. 10 During the year ended 31 March 2015, the Company acquired 100% interest in Brainhunter Systems (Canada) Limited ("BSL") from ICICI Bank India. Prior to acquisition of BSL by the Company, equity shares of BSL were originally owned by Zylog Systems Limited ("ZSL") and were pledged in favour of ICICI Bank as security for loans availed by ZSL from ICICI Bank. ZSL defaulted on loan repayments and ICICI Bank invoked the pledge and sold the shares to the Company.

During the year ended 31 March 2015, the Company had received a notice from the official liquidator of Zylog, alleging that the acquisition of the equity shares of BSL by the Company was not in accordance with law and therefore void-ab-initio, as such sale and transfer of the equity shares of BSL had taken place subsequent to an order passed by the Honorable Madras High Court appointing the official liquidator for ZSL liquidation. Further, the Company had also received letter from the RBI stating its inability to take on record the transfer of the equity shares of BSL until the winding up proceedings of ZSL have been completed and resolved. The Company is of the view, that they have a strong case and had taken a legal opinion.

The legal opinion reiterates that the case does not have merit and the sale is bonafide on the basis of the following:

a. There is adequate precedent that upholds the principle that a secured creditor can independently exercise his rights outside winding up proceedings.

b. ICICI Bank has enforced its security to realise its rights as a secured creditor and the sale is in compliance with Canadian law

c. That the sale of equity shares of Brainhunter is not prejudicial to the parties and that the same has been undertaken in accordance with the provisions of the law. The Company in the earlier years had also obtained legal opinion from Canadian law firm which has confirmed that the acquisition is appropriate from a Canadian jurisdiction perspective.

Based on the legal opinions taken by the Company in the earlier years, the management believes that the acquisition of BSL is appropriate.

11 Based on the "management approach" as defined in Ind AS 108 - Operating Segments, the Chief Operating Decision Maker evaluates the Group performance and allocates resources based on an analysis of various performance indicators by business segments. Accordingly, information has been presented along these business segments viz. People and Services, Global Technology Solutions, Integrated Facility Management and Industrials. The accounting principles used in the preparation of these financial results are consistently applied to record revenue and expenditure in individual segments.

During the year ended 31 March 2015, the Company had received a notice from the official liquidator of Zylog, alleging that the acquisition of the equity shares of BSL by the Company was not in accordance with law and therefore void-ab-initio, as such sale and transfer of the equity shares of BSL had taken place subsequent to an order passed by the Honorable Madras High Court appointing the official liquidator for ZSL liquidation. Further, the Company had also received letter from the RBI stating its inability to take on record the transfer of the equity shares of BSL until the winding up proceedings of ZSL have been completed and resolved. The Company is of the view, that they have a strong case and had taken a legal opinion.

The legal opinion reiterates that the case does not have merit and the sale is bonafide on the basis of the following:

- a. There is adequate precedent that upholds the principle that a secured creditor can independently exercise his rights outside winding up proceedings.
- b. ICICI Bank has enforced its security to realise its rights as a secured creditor and the sale is in compliance with Canadian law
- c. That the sale of equity shares of Brainhunter is not prejudicial to the parties and that the same has been undertaken in accordance with the provisions of the law

The Company in the earlier years had also obtained legal opinion from Canadian law firm which has confirmed that the acquisition is appropriate from a Canadian jurisdiction perspective.

Based on the legal opinions taken by the Company in the earlier years, the management believes that the acquisition of BSL is appropriate.
