# INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM STANDALONE FINANCIAL RESULTS

## TO THE BOARD OF DIRECTORS OF QUESS CORP LIMITED

- 1. We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of **QUESS CORP LIMITED** ("the Company"), for the quarter and half year ended September 30, 2020 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- 2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

## 5. Emphasis of Matter Paragraphs

- i. We draw attention to Note 7 of the Statement, regarding the demands received by the Company in respect of Provident Fund and the contingency related to the pending litigation on the said matter.
- ii. We draw attention to Note 14 of the Statement, which describes the effects of the continuing uncertainty arising from the outbreak of the COVID-19 pandemic on the financial results for the quarter and half year ended September 30, 2020.

Our conclusion on the Statement is not modified in respect of these matters.

The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.
- 14 The spread of the COVID-19 pandemic in India and globally has created significant pervasive volatility, uncertainty and economic disruption, including disruption to capital markets, deteriorating credit, liquidity concerns, increasing unemployment, reduction in production output levels, lower demand and lower discretionary consumer spending. Since the outbreak of the COVID-19 emerged in early 2020, it has quickly spread across India and the world. The Company's business operations for the quarter and half year ended 30 September 2020 continues to be affected by applicable regulatory restrictions including stay-at-home/ work from home requirements of the Central and State governments in India and the disruptive factors mentioned above. The duration of the pandemic and its consequential economic and financial impact continue to remain highly uncertain.

As a result of these developments, the Company considered the possible effects that may result from the pandemic relating to COVID-19 in preparation of the financial results including evaluating the recoverability of financial assets and non-financial assets particularly, trade receivables, unbilled revenues, goodwill, intangible assets, investments and loans granted to subsidiaries and associates. The COVID-19 pandemic began to impact the Company's operations in the quarter ended 31 March 2020 and the Company has since applied judgements and related assumptions in relation to carrying value of financial and non-financial assets. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the Company, as on date of approval of these standalone unaudited financial results has used internal and external sources of information to the extent available and based on current estimates expects the carrying amount of these assets to be recovered. Specifically for the purpose of assessing the recoverable value of investments in and loans granted to subsidiary companies aggregating INR 11,757.65 million and investments in and loans granted to associate companies amounting to INR 277.68 million, significant revised judgment was applied during the quarter in certain cases while finalising assumptions on growth in revenues, EBITDA and discount rates. These assumptions are subject to change in future as events unfold within the uncertain environment.

The impact of COVID-19 on the Company's financial results may differ from that currently estimated as at the date of approval of these standalone unaudited financial results. Such changes, if any, will be prospectively recognised.
